SUMMARY

I am a B.Tech student specializing in Computer Science Engineering, with a focus on programming and web development. My skills are consistently growing as I engage in hands-on projects and structured learning. I am eager for internship opportunities that will allow me to contribute to a development team and gain valuable industry experience

EXPERIENCE

Student Developer

Academic & Technical Experience

08/2024

B.Tech Engineering Student focusing on programming, web development, and AI/ML

- Built basic web pages using HTML and CSS
- Practiced responsive layouts and clean UI structure
- Learning JavaScript fundamentals
- Working on small personal projects to improve development skills

EDUCATION

B.Tech in Computer Science Engineering

Global Institute of Technology

08/2024 - 05/2028 Jaipur (RTU)

KEY ACHIEVEMENTS

Web Projects Completed

Created 2 personal projects showcasing web development skills.

Top Coursework Performance

Achieved 90% grade in HTML and CSS coursework.

Increased Coding Efficiency

Improved coding speed by 30% through daily programming practice.

STRENGTHS

Problem Solving & Logical Thinking

Focused on problem-solving, logic building, and technical growth
